

Imagine what God
can do in you.

He longs for us to walk in holiness and
be totally fulfilled in Him alone. His
desire is to use us in helping others and
yet He never forces Himself upon us.

**We must choose
to be used!**

A Barakel summer may be exactly
what He has in mind for you ...

If you think God is giving you a desire
for this work, please contact us.

We would love to discuss
how you can choose to
be used at Camp Barakel.

Where we are located:

What a great place for a camp -
350 wooded acres that include the
entire frontage on a clear northern
Michigan lake. The facilities reflect a
Northwood's tradition and are modern
and well maintained. Two separate and
complete campsites allow us to house
two different age groups and minister
to them separately.

You will find us in Michigan's lower
peninsula about 200 miles north of
Detroit and 45 miles east of Grayling on
highway M-72 (5 miles east of Fairview).

CAMP BARAKEL

There are few times in a person's life when a whole summer can be given to service, and there are few places that stretch and mature us like summer camp. What an incredible experience to love and lead a young person to a stronger relationship with the God of heaven and earth.

Why we are here:

Our mission is to give a thoroughly Biblical declaration of the glories of God among the entire Barakel community, with a view to gathering worshipers who magnify God through the gladness of radically obedient lives. All to the glory of God.

Where we came from:

For more than sixty years, we have been used by God in the work of camping. We are owned by, and accountable to, a group of forty churches in Michigan. Nearly 10,000 people (in four seasons) come to camp each year.

What excites us:

- We deeply care about what is on God's heart.
- We believe God reveals His heart in His Written Word.
- We have one week with each camper and want to clearly present the Simple Gospel of Jesus to them.
- We want to demonstrate Jesus in How We Live with our fellow staff.
- We believe Lasting Change will occur when the eternal Word of God is proclaimed in large groups, small groups and one to one.
- We think one of the greatest benefits of camping is the change that happens in the Lives of Staff.
- We also believe that living in Christ, in a community, is Exhilarating, and that Camping is Fun.

Summer camp demands many hard workers:

- Counselors
- Activity Programers
- Shooting Range Instructors
- Handcraft Instructors
- Piano Players
- Certified Lifeguards
- Camp Store Managers
- Cooks' Assistants
- Laundry Coordinators
- Mountain Bike Instructors
- Photo / Video Assistants
