## GRADES 10 THROUGH 12

You may come for the fun! High School Week is big on fun: huge team competitions, mammoth ambush games, The Blob, Zipline and all the traditional Barakel activities too. You may come for the friends! The memories made, the friendships started (or continued) could last a lifetime. You may come for a number of reasons, but you will surely be challenged by God during these potentially life-changing weeks. From the tribe talks and conversations with your counselor to hard-hitting Biblical teaching in Chapels, if you are looking for fun and spiritual growth, don't miss one of these weeks.

- July 20-26, Senior High, grades 10-12
- Aug. 10-16, Senior High, grades 10-12

High School graduates are welcome to apply to be a part of our service team: Young Adult Program Staff. See our website for more details.

**TRANSPORTATION...** Barakel provides its own fleet of D.O.T.-inspected buses driven by a state-licensed commercial driver. Bus stops are located in Marshall, Lansing, Flint and Bay City. This service is provided at no additional charge!

**FEES...** The cost for each of the two high school weeks is \$240. All the other weeks cost \$230. A deposit of \$75 must accompany the registration form. The balance is due one week prior to arrival. If you are unable to attend your week of camp, the registration deposit is refundable if we are notified no less than two weeks prior to the Tuesday your week begins.

**REGISTER NOW... Don't delay! Most of last summer's weeks were filled to capacity.** Fill out the attached registration form. We do not take phone reservations. We'll send you a health form to complete and mail back, bus schedule and a what-to-bring list.

- Please make checks payable to "Camp Barakel" and mail the form and a deposit of \$75 to: SUMMER CAMP, CAMP BARAKEL, PO BOX 159, FAIRVIEW, MI 48621-0159
- Registrations are taken individually, not by group. All housing arrangements and assignments are made after the campers arrive. If your child wants to be housed with one or two friends, they just need to be standing together when cabin groups ("tribes") are formed.
