2012 Technician and Engineer Reference Form

_____ (Applicant's full name) has applied for a position in our summer Technician and Engineer Program. The Summer Technician and Engineer Program (STEP) is for teens to assist in the day-to-day operation of the camp. The Technicians will be serving in the dining hall, camp store, laundry, lifeguarding and handcrafts. Jobs for the Engineers include wood cutting and hauling, lifeguarding, lawn mowing and dish washing. Though they won't be directly supervising campers, they will have contact with them.
