

Camp Barakel's Grandparents Family Camp

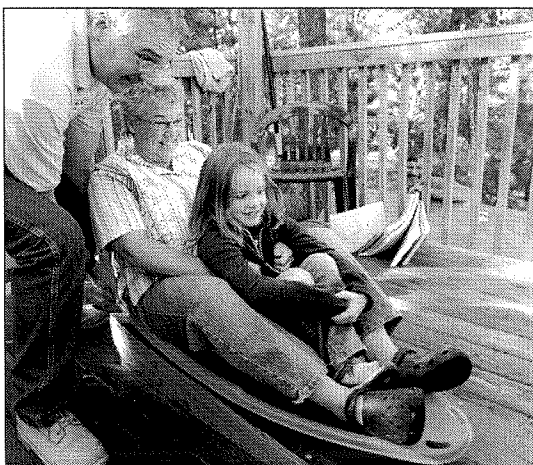

September 7-9, 2012 (Friday Supper thru Sunday Lunch)

Grandparents can have a life-long positive influence on their grandchildren—often in ways that aren't even known during a single lifetime. Good grandparenting can help aim a child toward a God-honoring future. At Barakel we want to do all we can to help you have a positive impact on your family. To register you need one willing grandparent and one willing grandchild, after that the whole family is welcome to join in the fun. Children must be at least six years of age.

Camp Barakel offers hundreds of wooded acres including the entire frontage on spring-fed Shear Lake. Our recreational facility is totally available for the weekend. Some of the activities are:

- Swimming
- Handcrafts
- Kayaks
- Mountain Bikes
- Bouldering Wall
- Paddleboats
- Riflery
- Fishing
- Archery
- Hayride
- AuSable River Canoe Trip ... and lots more!

We'll do our best to offer you an enjoyable time together as a family!

*You'll have a great time on our
"Thunder Express!"*

OUR CHAPEL TIMES

Our speaker is Tom Harmon Tom and his wife, Joyce, live in Owosso, Michigan and have been married for 40 years. A regular speaker at Barakel—he is always eager to point us to the perfect obedience of Christ, and to let us in on a little of his own journey with the Lord.

Grandchildren ages 6-11 are offered messages from **Kirby Huseby**, founder of a ministry to children, Truth Alive!

Saturday evening there is a second chapel choice for teens.
