

HOME SWEET HOME!!

On October 8, 2009 the Barakel semi pulled up to our new house to unload. It is hard for us to even believe that we are finally here. The Lord was so good to us on our journey here. And now we are settling in to our new life.

We are mostly unpacked and getting acquainted to life at Barakel. Nathan and Logan seem to be adjusting to the school here. They are making new friends and figuring out where to go. Kolby and Maggie seem to like their new house and bedrooms.

Right now at camp it is the down season where there are no campers on the property. Mike has been working on many different jobs while getting things ready for the winter retreat season starting January 1st.

We recently made a trip back to Perry to visit family and friends to take Kolby to his 18-month appointment. When we were there some of the cousins got together and had fun playing in a gigantic leaf pile.

We want to thank everyone again for all your prayers and financial support. We couldn't have done it without you.
